Total regular cost for all listed services without plan: \$1,200 +

Note: All wellness plans are all-inclusive. There can be no substitutions or subtractions. You will find that even though your pet may not need one or two items on your estimate, the package plan is still more beneficial than if all the individual services were to be purchased separately. The plan expires one year after purchase date and does not auto-renew. The plans do not guarantee a same day appointment.
